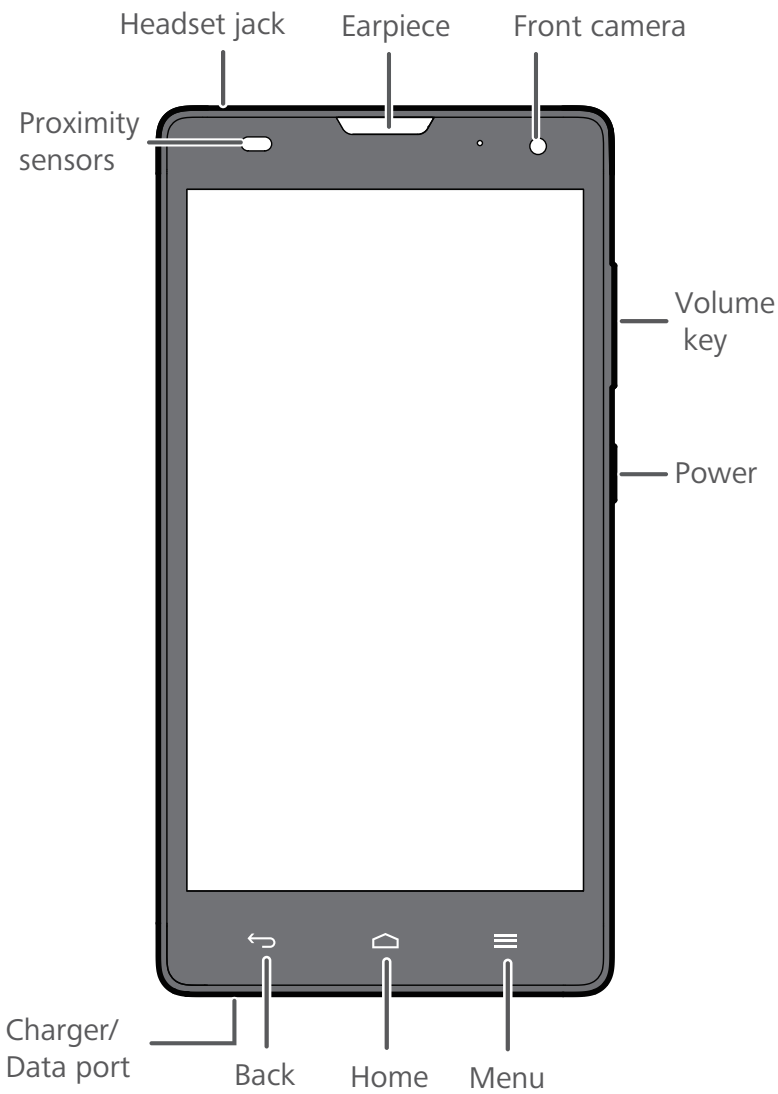
Getting to know your phone

Thank you for choosing the HUAWEI smartphone.

First, let's take a look at a few basics:

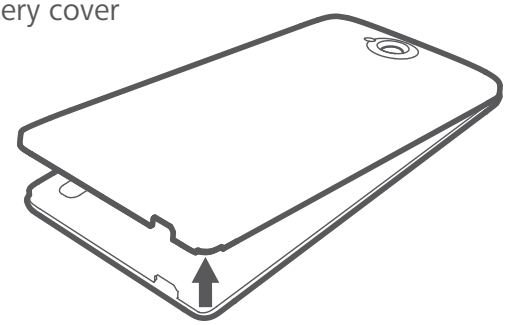
Press and hold the power button to power on your phone. After your phone is powered up, you can use the power button to turn the screen off and on.



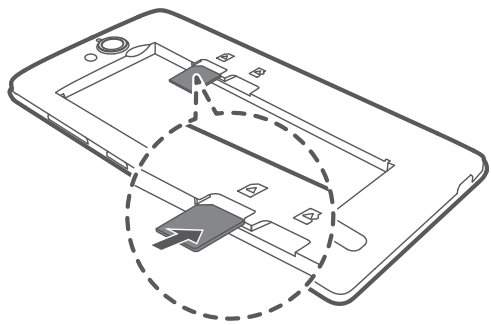
Preparing your phone

To insert a SIM card, the battery and a microSD card please perform the few steps shown in the following figures.

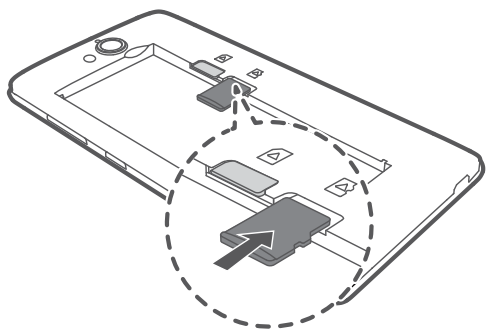
1 Remove the battery cover



2 Insert the SIM card



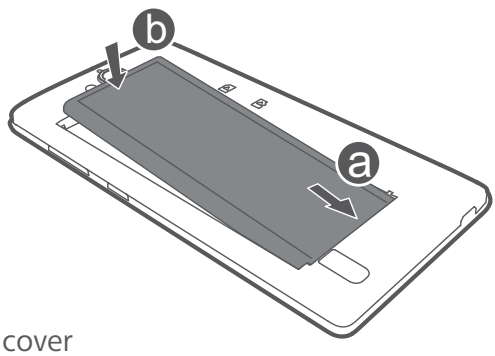
3 Insert the microSD card (optional)



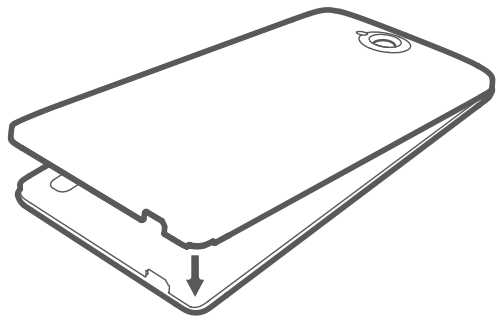
Preparing your phone

Your phone is shipped with the battery partially charged. It is recommended that you fully charge the battery before using it for the first time.

1 Insert the battery



2 Close the battery cover



3 Charge the battery
